Sermon Title: *"Resolved - Looking Unto Jesus Christ Anew"*

Speaker: Bauer Evans

Text: 2 Peter 1: 1-15

Main Point

Resolved: to look to Christ daily to rediscover His power and promises to live a life that increasingly reflects Him

Points

*God's power through Christ is exercised on my behalf (vs. 3, 4)

*Make every effort to live a godly life (vs. 5-7)

*A lifelong pattern of growth is key to being effective for Christ

Application

1. Re-read 2 Peter 1: 1-15

2. In vs. 3-4, Peter takes time to remind his readers of the foundation that was laid by Christ in their salvation. In your own words, what has Christ, by his grace done to save you? What does Peter say?

3. Peter exhorts us to "add to our faith" the visible qualities he mentions in vs. 5 -7. What gospel truth (see vs. 9) empowers the Christian to obey this command?

4. Growth is a lifelong pursuit for the Christian. As you review the list of qualities listed in these verses, choose one quality and one area in your life that you want to see growth in.

What is my plan to pursue growth in this quality?

What has Christ done in saving me that enables me to grow?

What has Christ promised me that empower me to do this?

How can I exercise faith in my foundation and His promises this week?

What concrete steps must I take to 'add to my faith' this quality?
